

2008 Stand Up Session

Concluding Note

(By Master of Ceremonies)

Thank you for participating in this important action. STAND UP and TAKE ACTION events such as this are taking place today all over the world, from the busiest square in the world, Times Square, New York, to the smallest school in the tsunami-struck Aceh province in Indonesia. Wherever you are, know that your action is critical in reminding yourselves and your leaders to keep their promise to achieve the MDGs by 2015.

We are the first generation that can end extreme poverty and create a sustainable environment for the future generations; we must NOT refuse to miss this historic opportunity!

Today we are ____ (e.g. 100) people here who have stood up from _____ (Org Name) in _____ (City Name). We will report this today along with a digital photograph to the organizers of the event in the UAE – the International Association for Human Values & the Art of Living, supported by the UNDP, UNEP, the International Humanitarian City and Barclays Bank PLC.

We thank HRH Princess Haya Bint Al Hussein for her gracious patronage of this campaign.

The final numbers for the Guinness World Record attempt, as well as images of STAND UP actions will be available for you to see on: www.missiongreenearth.ae

Have a good day!
